

Strasbourg, 9th of September of 2025,

Dear President of the European Commission,  
Dear President of the European Council,  
Dear President of the European Parliament,

Last night, a drone attack, using an incendiary bomb, was perpetrated against the mother boat of the Gaza Global Flotilla. This is a fleet carrying humanitarian aid and peaceful activists from all across the world, many of which were on board. There is video footage clearly showing the attack.

This unjustifiable attack shows utter disregard for innocent human lives and constitutes a blatant act of war in Tunisian waters.

We call upon all European institutions to unequivocally condemn this criminal act and to conduct a thorough investigation to determine its responsibility.

The undersigned Members of the European Parliament,
